Re: COMPLAINT RELATIVE TO TELECOMMUNICATIONS TRAFFIC TRANSPORT  
BY CITIZENS COMMUNICATIONS TO AENEAS COMMUNICATIONS, LLC  
Docket #02-00438

Dear Mr. Questell,

It appears the Citizens and Aeneas have resolved their differences and that Aeneas will be able to establish a direct connection with Citizen by purchasing a UNE loop for BellSouth. Although the connection has not yet been made, BellSouth has indicated that they do not see any regulatory impediment to this solution.

I will be happy to send you another progress report on this matter in thirty days.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
